🚨 TURN REFERENCE
CAUGHT RED-HANDED V2

ON YOUR TURN, CHOOSE 1:
1. PLAY & DECLARE: Play face-down & declare number > previous (or declare Reset).
2. INVESTIGATE!: Challenge the previous player's card.
3. PASS & DRAW: Draw 1 card from locker. Turn ends.

🔍 **INVESTIGATION VERDICT:**
· **ILLEGAL / LIE**: Bluffer takes ALL Red cards from evidence pile into Penalty Pile!
· **LEGAL / TRUTH**: Investigator takes ALL Red cards into Penalty Pile!
(Blue & Reset cards are secured to Vault).

🚗 **GETAWAY CAR (ROUND END):**
First to empty hand escapes (0 Strikes)!
Remaining players count:
`(Red in Hand) + (Red in Penalty Pile)`.
Most Red cards = 1 Strike! 3 Strikes = PRISON!

📋 DECK ARCHITECTURE
54 CARDS TOTAL

• **36 CLEAN LOOT (BLUE 1-10)**: Safe goods. Zero penalty points.

• **8 NUMBERED RED (1-6)**: Low contraband. Can be played legally if > previous number!

• **6 HOT EVIDENCE (🚨 RED)**: Unnumbered toxic contraband. CANNOT match any number! Must bluff to shed!

• **4 RESETS (0 SPECIAL)**: Resets count to 0. The Fence (0 🧡) & Smoke Bomb (0 🔙🛑 reverses play).

💡 **TIP: Call bluff when the pile has few red cards; avoid false accusations when the pile is loaded!**
